

MISS CROKE

WEEK OF March 8th

This week in preschool...

We have been doing lots of fun things in preschool these past two weeks. Last Friday we celebrated Dr. Seuss' birthday with a special birthday party. We made our own hats from Cat in the Hat and had birthday cake with real birthday candles! The celebration continued to this week as we dressed up each day of the week to celebrate all his different books. Also, this week, our classroom theme was All About Pets. We talked about what animals make good pets and all the responsibilities that come with having pets. We even welcomed a new class pet fish named Cupcake into our room! The students worked hard to name her, decorate her new home, and feed her every day.

Don't Forget!

Last week a shamrock was sent home to every family in the school. Please make sure you decorate the shamrock and return to school by Monday, March 11th so they can be displayed for all to see!
